PROFESSIONAL EXPERIENCES

Today ○

CLOUD & IA TRAINING

AZ-104 certified, focused on cloud architecture, Azure administration and AI-oriented technical training. Building a profile around Azure and IAC automation with Terraform / Bicep / ARM Templates. Currently developing hands-on Azure cloud projects.

09/2025

DEVELOPER C# | AKANEA, LYON (69)

Developed new features and fixed bugs on a transport management application with C# and Oracle Database. Contributed to architecture improvements and GitFlow processes with Azure DevOps pipelines. Contributed to the development of an internal framework and a hybrid client/web application (3-tier architecture).

05/2025

PERSONAL PROJECT | PUZZLE OF ME - INDIE GAME

Developed a Unity puzzle game (vertical slice) in collaboration with a game designer for a vertical slice. Implemented gameplay systems using OOP principles. Built tools to streamline level editing.

09/2024

WORK-STUDY PROGRAM - DEVELOPER - VR | LS GROUP, SURESNES (92)

Developed and enhanced VR industrial application in collaboration with CEA with Unity. Improved UX and performance while following an MVC-inspired architecture.

09/2022

Worked with GitFlow and CI/CD, contributing within Agile (Scrum/Kanban) teams.

08/2022

INTERNSHIP - QA TESTER / TOOL PROGRAMMER | REALITY ACADEMY, BAGNOLET (92)

Designed a visual graph system to build VR training content.

Developed tools to speed up QA and Unity workflows.

02/2022

Contributed to QA and improvements of VR e-learning content and website.

STUDENT PROJECTS | IIM, PARIS LA DEFENSE (92)

Developed multiple projects in Unity and Unreal, along with standalone C# and C++ applications (gameplay systems, AI, networking). Built systems including 3C, procedural generation, and multiplayer features (FPS, online Snake). Published a game on Steam and the Play Store.

09/2019 ■

EDUCATION

2026 ○

Az104 Certification

Azure | Virtual Machines | Networking | Storage | Identity (Azure AD) | RBAC | Monitoring | Security | Backup & Recovery | Governance | Azure CLI / PowerShell | ARM templates | Bicep

2024

Master's Degree in Game Programming | IIM, COURBEVOIE (92)

Unity | Unreal | C# | C++ | OOP | 2D Mathematics | Algorithms | Integration | AI | Networking
Graduated with jury honors

2016

Bachelor's degree in Sports Science (STAPS) | UPEC, CRETEIL (94)

Pedagogy | Group Coaching | Adaptability to Different Audiences | Active Listening | Empathy
Program Design (APA) | Motivation & Engagement | Communication Skills | Safety Awareness

SKILLS

CLOUD
